In early youth he entered the old Polynesian printing office and became a printer. Then he went to sea and after returning resumed his work in the printing office, becoming foreman. He became a clerk n the Interior office and was later appointed governor of Kauai, an office which few but high chiefs have ever He was appointed Minister of Interior on August 14, 1880, in the Moreno administration and on August 19 of the same year he was Minister of Foreign Affairs. He became Minister of Finance on May 20, 1882 and again Minister of the Interior on August 8.

It was largely through John E. Bush that the trenty between Hawali and

Bush bore as a gift to the King of Samoa the "Grand Cross of the Royal Order of Oceanica," an order especially instituted for Polynesian kings and chiefs. He was also to present the Samoan king with a carriage and span of horses. He was to express to Malieton the regret of Kalakaua that any of his subjects should be in rebellion against him. ### **TUMORS CONQUERED** SERIOUS OPERATIONS AVOIDED.

Unqualified Success of Lydia E. Pink-Case of Mrs. Fannie D. Fox.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enamy, Tumor,

The growth of a tumor is so sly that frequently its presence is not suspected until it is far advanced.

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by profuse monthly periods, accom-panied by unusual pain, from the abdomen through the groin and thighs.

If you have mysterious pains, if there are indications of inflammation or displacement, secure a bottle of Lydia E. Pinkham's Vegetable Compound right

away and begin its use.

Mrs. Pinkham, of Lynn, Mass., will give you her advice if you will write her about yourself. She is the daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Dear Mrs. Pinkham:-

Dear Mrs. Pinkham;—

"I take the liberty to congratulate you on the success I have had with your wonderful medicine. Eighteen months ago my periods stopped. Shortly after I felt so badly that I submitted to a thorough examination by a physician and was told that I had a tumor and would have to undergo an operation.

"Soon after I read one of your adverthements and decided to give Lydia E. Pinkham's Vegutable Compound a trial. After taking five bottles as directed the tumor is entirely gone. I have been examined by a physician and he says I have no signs of a tumor now. It has also brought my periods around once more, and I am entirely well."—Fannie D.
